Cold Lake, Alberta**

Strengthening People and Communities with Innovative, Individualized Services

Program Manager

Come join our team!

Be a part of our organization where the skills and dedication of our employees are recognized as the foundation of our success.

WJS Canada is in its 25th year of successfully managing social service programs throughout Canada. We employ over 500 employees; many have been with us for over 10 years - each of them making a difference in the lives of others and dedicating their working days to ensure this happens. Our jobs are suited to those that are returning to the workforce, those working to increase their skills or those that thought they might retire however, all want the opportunity to contribute something meaningful in their work and to their community.

When you join our team, you are going to experience our organization's support toward employee work-life balance, pursuits of educational development and our never ending work to make things even better for our employees!

Currently we have an opening for ***FT Program Manager*** available in ***PDD& Children's Services Program based out of Cold Lake, Alberta.***
